UV Toothbrush Sanitizer/Cleaner

Do you want Healthy Teeth+Gum ???

Disease, illness and re-infections have been shown by studies to be linked to the use of unsanitary toothbrushes. Micro organisms, germs and bacteria are not visible to the naked eye, so you can't see the how unclean your toothbrush really is. Eliminating unwanted and harmful bacteria, fungi and viruses that reside on your toothbrushes will allow you to enjoy and new level of cleanliness with dental toothbrush sanitizers. The UV toothbrush can kill over 99.9% of germ & bacteria in your toothbrush head.

The UV Toothbrush Sanitizer uses germ-eliminating UV technology in a sleek, go-anywhere package. The germicidal light activates as soon as you close the lid, and in 6 minutes your toothbrush is sanitized and safely stored until you're ready to brush again. The UV Toothbrush Sanitizer has a deluxe metallic finish, long battery life(2 AA batteries), and includes a removable drip-tray for easy cleaning. Perfect for you or as a gift--- whether it stays at home, goes to the office, gym, or on a trip
